

HIGHLAND COUNTY ARTS COUNCIL TECHNICAL INTERNSHIP APPLICATION

The internships in technical theatre are available to high school students and adults who are interested in learning to use the sound and lighting equipment at the Highland Center and in providing technical support for performances and events at the Center. The Internship will include sessions with the technical director and attending performances at the Center. A small stipend will be available for those who complete the training. Successful interns may be hired to support performances and events at the Highland Center. Interns will need transportation to the Center for the sessions and performances.
